ELIGIBILITY CRITERIA FOR CAMP CADET

1. Applicants must be no younger than **12** and no older than **15** years of age on the first day of Camp Cadet and must reside within **Northeast Florida**.
2. Applicants must be willing to participate in a variety of physical fitness activities and abide by military discipline. Additionally, all applicants must arrive at Camp Cadet with an appropriate haircut. For boys, this means no hair extending below the eyebrows in the front, below the ears on the sides, and it cannot touch the collar of their shirt. In other words, a military style haircut. For girls, there are no specific requirements other than they must be able to pull their hair back in either a ponytail or use similar means to keep the hair out of their face. The hair must also be able to fit under a baseball cap, although the ponytail may protrude from the back.
3. This application must be submitted no later than **June 4, 2023**. **The application must be accompanied with the 500-word essay on "What leadership means to me"**, a recent physical (can use the 2022-2023 school year physical, parents are required to get that documentation from the school or doctors office, we cannot request it from the school on your child's behalf), and the medical addendum (to be provided at a later time). Submit this application to "Northeast Florida Camp Cadet" at the address listed above. Any application received after the June 4, 2023 deadline may not be considered. If all documents are not received or the application is completed in its entirety you will be contact by a member of the Camp Cadet board to advise how to move forward in the application process.

Final selection of the Camp Cadet applicants will be made by the Northeast Florida Camp Cadet, Inc. board members.

Applicants **MUST** arrive on time at Camp Cadet for registration and orientation. Camp cadet is being held at Camp Blanding Joint Training Center. Registration is scheduled to begin **on Sunday, June 18, 2023, at 4:00 PM**. Applicants who arrive late on the day of registration may be asked to leave without advanced notice. **Graduation will take place on Saturday, June 24, 2023, at 11:00 AM**.

Dear Parents,

The Northeast Florida Camp Cadet would like to share some vital information that will prove helpful for you and your child should they be selected to participate in the Camp Cadet program. We provide this information so that you, the parents, can be as fully informed as possible to assist your child in this exciting opportunity.

If your child is selected to participate in the program it is imperative that you provide everything on the camp list provided. The list is comprehensive and will serve your child well for the week. Avoid bringing any items not listed as room is limited for the cadets. Please pack your child's items in a small suitcase or duffle bag as your child will be carrying their luggage to the bus and to their bunking areas. Large suitcases and duffle bags can be quite heavy and difficult to carry for the smaller children.

Should your child become injured or is dismissed for disciplinary reasons a prompt pick up is mandatory. Non-emergency medical attention must be provided by the parent/guardian as quickly as possible.

Cadets dismissed due to disciplinary reasons have a tendency to drain camp resources and manpower creating the need for immediate removal by a parent/guardian. This will ensure the rest of the cadets still participating will not experience a disruption in their activities. **In addition, the parents of any cadet dismissed for disciplinary reasons or for a non-disclosed medical condition will be assessed a \$250 fee to cover the loss associated with such action.** This does not apply to cadets who become injured during participation. Dismissals due to disciplinary reasons or a non-disclosed medical condition will be final, and the cadet will not be able to re-apply for another camp.

Your child will need to have a physical exam conducted to participate in Camp Cadet. Please understand that this is a physically demanding camp, and your child must be physically able to participate in the camp's activities. If any condition that would hinder full participation arises between the time of the physical exam and the start of camp or any medical condition that was not disclosed to anyone (including a physician) prior to camp must be disclosed to the staff prior to the first day of camp. If a condition is not disclosed prior to camp the cadet risks being dismissed.

A photo of each cadet will be taken during registration for the safety and welfare of each cadet.

Please consider this guide carefully. Camp Cadet is committed to providing a safe, nurturing and somewhat demanding environment in which the participants (and staff) can learn and grow together. It is our sincere hope that we can work together for the betterment of our kids. Please do not hesitate to contact any of the staff members if you have any questions or need any further clarifications.

Thank you,

Kimberly Miller
